CINERGY CENTER
525 ELM STREET
CINCINNATI, OHIO 45202
TELEPHONE: (513) 352-3750**

The following Current is available: **120 volts, 208 and 460 volt single and three phase, at 60 Hz AC; 220 volts not available.**

Rates quoted for electrical connections cover only installation in the most convenient manner. Rates do not include connecting equipment or special wiring. All additional work on exhibitor's display will be charged on a time and material basis. All equipment must be properly tagged and wired with complete information as to type of current, voltage, phase, cycle, horsepower, etc. Overloading and over current are the exhibitor's responsibility. All connections will conform to the National Electrical Code and Center Regulations.

List below electrical connections not shown or any special requirements. Specific details assure the exhibitor of a quick connection during show set-up. State below and tag equipment regarding quantity, usage (lighting or motor), voltage, amps, horsepower, and phase. Charges will be on a time and material basis. **Electric labor rates: \$45.00 per hour standard rate, \$70.00 per hour premium rate. The workday is 8:00 A.M. to 4:30 P.M., Monday through Friday (except holidays). All other hours are at the premium rate. Labor is hired at 1 hour minimum per man for connections and disconnections. Any motor ½ HP or larger must be equipped with a safety switch. Transformers are not available.**

EXHIBITORS DISPLAYING IN ISLAND BOOTH AREAS, OR WHO NEED SPECIAL CONNECTIONS MUST REPORT TO THE SERVICE DESK FOR ELECTRICAL INSTALLATION.
