

The ASM Heat Treating Society (HTS) focuses on thermal processing of metals and materials. HTS members leverage this network of professionals to share technical information, industry knowledge, and best practices, and to recognize outstanding achievements and distinguished performance of fellow members.

HTS members enjoy these exclusive benefits:

- Free online access to two essential resources for all things heat treating, the Heat Treater's Guide: Practices and Procedures for Irons and Steels and Practices and Procedures for Nonferrous Alloys
- Free online access to the Heat Treat Conference current and past proceedings
- HTS membership directory
- Free Heat Treater's Guide Companion mobile app
- Free bi-weekly subscription to HTPro eNews
- Discount on registration for the biannual Heat Treat Conference and Exposition and other topical events
