TSS Members named 2021 ASM Fellows and Awardees

TSS is pleased to announce two of its members have been named a recipient of a 2021 ASM Award or have joined the newest Class of Fellows. Congratulations to all!

2021 Class of ASM Fellows

**Mr. Christopher G. Dambra, FASM**
Global Head of Coating Solution Center
Oerlikon Metco, (US) Inc.
Westbury, NY

“For significant technical and educational contributions across a wide range of industries; particularly in coating solution development and application support and for dedicated contributions and service to the ASM International Thermal Spray community.”

**Ms. Jean A. Mozolic, FASM**
Manager and Founder
The Mozolic Group
Londonberry, NY

“For distinguished development and commercialization of thermal spray technologies and materials that have significantly advanced key applications and products and strengthened the coatings industry.”
Engineering Materials Achievement Award (EMAA)
QuesTek Innovations, Evanston IL
Mr. Jeff Grabowski, Mr. Chris Kern, Dr. Thomas S. Kozmel, Prof. Gregory B. Olson, FASM, Dr. Jason T. Sebastian & Mr. Kerem Taskin.

“For the design and commercialization of novel high-performance carburizable steels enabling more durable, lighter weight transmission gears with increased power density."

Established in 1969, this award recognizes an outstanding achievement in materials or materials systems relating to the application of knowledge of materials to an engineering structure or to the design and manufacture of a product.
