YOUNG MEMBERS NIGHT

ASM International is a world-wide technical society promoting materials. ASM has approximately 30,000 members in the US and Canada. The Philadelphia Chapter has approximately 500 members. We currently have 31 “Sustaining Member Companies” that promote our chapter by supporting the member meetings and programs. Our Chapter also has six Institutional Members: Drexel, Temple, Penn, Rowan, Villanova, and Williamson College of Trades. We meet eight times a year and we also provide training programs like Metallurgy for the Non Metallurgist, Welding, etc. In addition we promote industrial visits and high school and teacher training at various local Institutional Member Universities.

Our next meeting is Thursday November 17th. This is our annual Young Members Night. The meeting is being held at WE Automation at 417 North 8th Street, Suite 201, Philadelphia PA 19123. If you have any interest in Materials Science as a career, we would encourage you to Google WE Automation, Philadelphia for more information about the company and their product development. The website also has a link to WE Automation’s parent company, B&R Industrial Automation, which is located in Roswell, Georgia.

The Social Hour and Networking will take place between 6 and 7:30 pm. It will include a presentation by Ben Wolfgram, President of WE Automation, and also some beverages and “Finger Foods.”

Meeting Sponsors: Robert Wooler Company and Hoeganaes Corporation

Prices:
Members and Guests $20 | Retirees $15 | Students and Faculty - No Charge

Meeting Registration: PLEASE NOTE**: All reservations must contact Trevor Jones at 215-721-1502 ext 1220 or on our website at http://philadelphia.asminternational.org no later than 1:00 PM on the Tuesday before the meeting to guarantee availability.

CHAIRPERSON'S MESSAGE
NOVEMBER 2016

Greetings from the ASM Liberty Bell Chapter. The leaves are falling and so are the temperatures. As we turn back the clocks and get ready for the winter months, I can’t believe the Holiday Season is upon us. Time has truly flown by these last few months.

As you have already been notified, our meeting this month will take place at WE Automation in Philadelphia on Thursday, November 17th. I hope you are all looking forward to checking it out as much as I am. From what I hear, they offer unique modern automation solutions for various industries. The upcoming November meeting is Young Members Night and we are hosting a social networking event accompanied with a tour of WE Automation guided by President, Ben Wolfgram.

Please remember that our next meeting is the Sauveur Award Night, and will be held on Thursday, January 19th at the Joseph Ambler Inn.

I hope to see you in a couple of weeks at WE Automation!

Sincerely,
Nick Cordisco
2016-2017 Chapter Chairperson

March 2017—ASM at the Union League in Philadelphia

In a year that’s already featuring new meeting locations, the Chapter’s March meeting will certainly stand out. The annual national officer’s night meeting will be held Monday, March 20 and will be held in conjunction with the ASMI Board of Trustees meeting. The Union League of Philadelphia has been selected as the meeting location. The Union League is located at 140 South Broad Street, Philadelphia, and there is plenty of parking for all. The Union League of Philadelphia was founded in 1862 and has been a great mystery on Broad Street to many a passerby. This is your opportunity to get an inside look at this Philadelphia institution.

The combination of the meeting location and the Board of Trustees meeting means that there will be a number of unique features on this night.

The pre-meeting reception will include interaction with the ASMI Board members who are in town for the meeting. The meeting presentation will be by the 2016-2017 president of ASMI, Philadelphia’s own Bill Frazier.

In the late afternoon, there will be an opportunity for a guided tour of the League House. The building dates back to 1865 and has recently been beautifully refurbished. In addition to the history, the League is home to an extensive art collection, much of which is on display and will be featured on the tour. From stained glass to a large George Washington painting to tattered American flags, history and artwork is everywhere! Union League members Randee and John Janiszewski and Phil DeHennis may be among the tour guides. The Union League is known throughout the Philadelphia area for its restaurant and banquet facilities. The meeting attendees will surely enjoy the dinner.

The 2016-2017 ASMI Board features several members with local ties, including Dr. Frazier, Craig Clauser, Roger Jones, and Fred Schmidt. Let’s see a large chapter turnout so we do them proud and the Board can see firsthand the dedication of the Liberty Bell Chapter materials community.

Mark your calendar now for March 20 and plan to attend a unique event in a unique location (spouses are invited). Additional details will be coming out in future newsletters as we get closer to the date.
October Meeting at Maggio’s

The October meeting was our annual Eisenman Award Night. This award is given by the Chapter in recognition of dedicated service to the Society, foresight, dynamic management, leadership, and promotion of the metals industry and metallurgical education. Craig Clauser was honored at this meeting. Craig is an outstanding engineer, specializing in material evaluation and failure analysis. He has been an engineering consultant for the past 30 years. He is also the National ASM International Treasurer for our society, and a member on the Board of Trustees. He has served on a number of National Committees. The attendees thoroughly enjoyed Craig’s presentation on an 1844 explosion that killed a number of Cabinet Secretaries that were on the ship, along with President Tyler. Craig was our Chairperson in 1983. We are privileged to have Craig as a member of The Liberty Bell Chapter.

**To Drive to WE Automation:**

From the north, use Route 611 (Broad Street) or the Schuylkill Expressway (I-76)

**Route 611 (Broad Street):**
- Proceeding south, make a left on Ridge Avenue
- In 0.4 miles, make a left on Spring Garden Street
- In 0.3 miles, make a right on 8th Street
- In 0.15 miles, make a left on Willow Street
- Parking is on the corner of 7th and Willow. WE’s building is on the corner of 8th and Willow.

**Schuylkill Expressway:**
- Exit at Vine Street, I-676 (left exit)
- In 0.13 miles, exit right for 8th Street
- Turn right on 8th Street, then make a quick left onto Vine Street
- In 1 block, turn left on Franklin Street which becomes 7th Street.
- Parking is on the corner of 7th and Willow. WE’s building is on the corner of 8th and Willow.

*From the west, use the Schuylkill Expressway and the directions above.*

**From the northeast and I-95:**
- Take Exit 22, Callowhill Street
- From the exit, take a right on Callowhill
- Turn left on 7th Street
- Parking is on the corner of 7th and Willow. WE’s building is on the corner of 8th and Willow.

**By Mass Transit/Train:**

**SEPTA Regional Rail trains stop at Jefferson Station at 8-12th and Market Streets**
- Go out the exit for 10th Street, go north on 10th, and turn right to 8th Street.
- You will pass through Chinatown, cross over the Vine Street Expressway, and go 5 ½ blocks total. WE’s building is on the corner of 8th and Willow.

**SEPTA’s Broad-Ridge spur has a station at 8th and Race (Chinatown station)—walk north on 8th to WE from here**

**The main SEPTA Broad Street Line Race-Vine Station is at Broad (13th) and Vine.**
- Go 2 blocks north to Callowhill Street and turn right.
- Turn left on 8th street. WE’s building is on the corner of 8th and Willow.

**PATCO trains stop at their station at 8th and Market**
- Go north on 8th Street for 5 ½ blocks.
- WE’s building is on the corner of 8th and Willow.
