TOUR
BUFFALO MANUFACTURING WORKS
847 Main Street
Buffalo, NY 14203

Thursday, October 13, 2016
Tour starts at 5:30 pm

Dinner to follow at Ulrich’s 1868 Tavern which is in walking distance of Buffalo Manufacturing Works
674 Ellicott Street
Buffalo, NY 14203

Buffalo Manufacturing Works is an Industry driven, public/private consortium whose mission is to enhance manufacturing competitiveness in the Buffalo-Niagara region. Operated by EWI, the facility is engaging in projects involving advanced robotics, additive manufacturing, and state-of-the-art nondestructive testing and evaluation equipment.

Cost:
Members/Guests $25.00
Students $10.00

Menu:
Choice of Fish Fry, Oktoberfest Dinner, Schnitzel, Steak/Arugala Salad, Rouladen. Potato pancake appetizer included as well as soda and coffee. Cash Bar available.

Reservations:
Chuck Lafountain, clafountain@diamondsaw.com, 716-496-7417

Please make reservations by Friday - October 7, 2016

MARK YOUR CALENDARS FOR NOVEMBER 10th
Advertiser Appreciation Night
Welcome back to our ASM Buffalo members for another great season of events. I would also like to welcome our new board members, Chuck Lafountain, Hank Kammerer, and Peter Witting.

ASM Buffalo kicked off the year with an exciting tour of North American Hoganas. We would like to thank them for graciously hosting ASM Buffalo and also thank our members in attendance. NAH, Niagara Falls manufactures iron powder for various industries and showcased the ‘green’ initiative that their plant was founded on and continues to succeed in. NAH uses byproducts from other manufacturing industries to produce a high quality product with little waste. It was a riveting tour of furnace reactors and discussions of how iron gets certified as non-GMO for food use.

Our next event on the schedule is a tour of Buffalo Manufacturing Works. Engaged in enhancing manufacturing competitiveness in the Buffalo-Niagara region, Buffalo Manufacturing Works is involved in advanced robotics, additive manufacturing and nondestructive testing and evaluation equipment. They are operated by EWI and located at 847 Main Street, Buffalo, NY 14203. Join us for the tour at 5:30 PM on October 13th. Dinner will follow at Ulrich’s Tavern.

We hope you can join us for the great events we have planned for the 2016-2017 season!

If you are interested in becoming a Chapter Officer or Director, please do not hesitate to contact a current board member.

Renee Lueke and Kira Berent – Co-Chairs

Thank you to all our advertisers!!! Your advertising dollars are used to maintain the viability of the Buffalo Chapter of ASM International. They are used to support chapter activities such as defraying dinner meeting costs, speaker awards and to fund scholarships for outstanding students in the materials science field. The Buffalo Chapter could not exist without your support!!!

We encourage our membership to patronize our advertisers.
