From the Isle Brewers Guild website:

Why Isle Brewers Guild?

Craft Cooperative: All the flexibility of your own brewery without the capital exposure.

Due to increasing demand within the craft segment, the need for additional capacity remains a fundamental issue for craft brewers.

Isle Brewers Guild will be working with established mid to large-size craft breweries looking to expand their capacity, sales and distribution. Isle Brewers Guild is a Partner Brewery, where brewers will brew their beer under the care and supervision of their own brewmaster, in a state-of-the-art facility offering a wide range of brewing and packaging services.

Our goal is to provide for our partner brewers an efficient brewing solution with better control and customer service.
