San Diego County Engineering Council
www.sandiegoengineers.org

The objective of the SDCEC is to be the umbrella society for professional engineering or STEM organization in San Diego County. Best known for organizing the annual Engineering Week Awards Banquet, they also promote STEM and Educational Events throughout the year. The ASM Chapter is working with the SDCEC to bring awareness of these programs and events and the upcoming Banquet. If you have a moment, please check out their website and help us get the word out.

Thanks, Bob Klug

SPONSORS NIGHT

Bringing in the New Year by Honoring our Sponsors

White Labs
9495 Candida Street, San Diego, CA  92126

We are pleased to provide a forum for our Chapter Sponsors to tell us about what is new and exciting with their business. We would like to invite any and all our membership to come and hear the latest and say hello to our sponsors. We will also try to arrange for a tour of the White Labs, which is amazing. They also have some very tasty beers. While we can’t purchase beers for folks, we will be providing the pizza, so if you could RSVP so that we have a reasonable count that would be great.

Click here to RSVP
Welcome to 2020

We are all excited because we have a whole year to do exciting things and we are starting out with a Sponsors Appreciation Night. Please come and support the folks who support our chapter. All our sponsors will have a forum to fill us in on their latest and greatest.

We are also taking applications for our Abe Hurlich Scholarship program. The applications will be or already are on our website. Deadline for these applications are April 24th. So, if you know any deserving students let them know.

The Engineering Week Awards Banquet is the 21st of February. The ASM Chapter has reserved a table and will offer them to members for $25.00/per person. If you are interested contact me, see below.

Finally, on February 27th, we have the honor and privilege of presenting a meeting with the President of ASM International, Dr. Zi-Kui Liu, at UCSD. An event you will not want to miss.

So, as you can see it is looking to be an exciting and very full year. We are hoping you can join us on this adventure.

Thank you again for all your support, Communication Chair, Bob Klug
