DECEMBER HOLIDAY MEETING

We will have a joint ASM, ASME Holiday party again this year at Chesterfield’s Restaurant on 1713 Bleecker Street in Utica, NY (315.738.9710) on Friday evening, December 2nd. 
http://www.chesterfield1713.com  We will also have lots of gifts to be raffled off after dinner. Spouses and guests are also invited to help us celebrate the holidays.

Social Hour will start at 6:00 PM with an open bar and dinner will begin at 7:00 PM. It will be the Grand Buffet including Tuscan Chicken Alfredo, Penne Alfredo, Sliced Pork Remo, Roasted potatoes, Tomato Pie, Garden Salad and Mixed Vegetables.

Prices will be $15 for each ASM/ASME member/guest or student and $25 for non-members. Reservations are due by Wednesday, November 23th

Please contact Pam for reservations at (315)-363-4025 or e-mail p paulini@twcny.rr.com.

Last month ASM International and ASME toured the MVCC FABLab. This was a fascinating tour of “state of the art” prototyping equipment that effectively gives creators the ability to design their creations such as prototype products or even art works on the computer using 3D CAD software and then direct a computer driven machine to turn the design into a three dimensional reality.

The tour included viewing items made from equipment such as 3D printers, laser etchers, CNC routers, Prototype milling machines and production grade CNC milling machines. The tour demonstrated the vision toward future technologies that students can get when going to school in the Mohawk Valley.
