REGISTRATION IS OPEN

The ASM Heat Treating Society and the International Federation of Heat Treatment and Surface Engineering have partnered to present an exciting event focused on Thermal Processing, Heat Treating and Surface Engineering.

THE PRICE IS RIGHT!
Conference registration includes:

- 3-Day Technical Program
- Daily Lunch (3 total) and Refreshments Breaks
- Welcome Reception with Exhibitors (Monday)
- Reception/Dinner (Wednesday)
- Dedicated Networking Times with Exhibitors
- Access to Online Conference Proceedings

COMPREHENSIVE TECHNICAL PROGRAMMING
This event will bring together international experts from around the globe to present the latest innovations and research in Thermal Processing and Surface Engineering. More than 125 technical sessions will be offered over the course of 3 days, including a special symposium on residual stress.

SPECIAL KEYNOTE PRESENTATIONS

- Prof. H. K. D, H. Bhadeshia, Dept of Materials Science and Metallurgy, University of Cambridge, “Very Short and Very Long Heat-Treatments in the Processing of Steel”
- Mr. Tobias Steiner, “Alloying Element Nitride Development in Ferritic Fe-based Materials upon Nitriding”
- Prof. Dr.-Ing. habil. Rolf Zenker, Zenker Consult Mittweida, “Surface Treatment by Electron Beam in Combination with Other Heat Treatment Technologies”

RESIDUAL STRESS SYMPOSIUM
This special symposium will provide an overview of the current state of the art for residual stress prediction, measurement and control in industry. Presentations will be given by major aerospace OEMs and experts in the field of residual stress modeling and measurement.

NETWORKING/RELATIONSHIP BUILDING
From the exhibitor networking reception to a special event on a Savannah riverboat cruise, attendees will have an opportunity to build business relationships and network with key contacts.

DEDICATED TIME WITH EXHIBITORS
Discover new products and latest trends during dedicated breaks and meal functions with exhibitors.

ACCESS TO PEER REVIEWED PROCEEDINGS
Manuscripts are required from all presenters, so attendees will have access to comprehensive online conference proceedings.

HEADQUARTERS HOTEL
This event is expected to sell-out, so please reserve your sleeping room as soon as possible at the Hyatt Regency Savannah. Please visit asminternational.org/web/ifhtse/travel to secure your sleeping room.

Online registration is now open!

Please visit www.asminternational.org/ifhtse for additional information and to register.
