ASM’S SAFETY PROTOCOLS FOR
UPCOMING CONFERENCES

YOUR HEALTH AND SAFETY IS OUR TOP PRIORITY!
FEDERAL, STATE, AND LOCAL GUIDELINES WILL BE CLOSELY MONITORED AND FOLLOWED.

TEMPERATURE CHECK kiosks will be available before entering the convention center or main conference venue. Anyone with an elevated temperature will not be permitted to enter.

FACE COVERINGS will be strongly encouraged to be worn at all times for conference attendees, exhibitors and ASM staff.

Note: we will adhere to guidelines placed by the local government and meeting facilities, which may require face coverings.

HAND SANITIZER STATIONS will be available throughout the event.

DISINFECTANT FOGGERS will be placed in the exhibit hall area.

HIGH-TOUCH SURFACES will be regularly sanitized by conference venue staff, including door handles, plates, frames and jams; handrails; tops of trash/recycle receptacles; all bathroom surfaces; escalator handrails; elevator buttons; ADA door buttons; high-touch walls; and meeting room surfaces, including tables, lecterns, podiums, chairs and walls.

REGISTRATION AND BADGE PICK-UP AREAS will be re-designed to minimize contact between registration staff and attendees, as well as allow for social distancing. Computers and equipment will be regularly sanitized.

THE EXHIBIT HALL will be re-designed to expand space between booths, as well as allow for larger aisle ways and one-way only aisles.

ALL SESSION ROOMS will accommodate social distancing.

FOOD AND BEVERAGE will be provided in a no-contact way (i.e., pre-packaged utensils, boxed lunches, no self-serve buffets or coffee stations).

TOURS AND OFFSITE EVENTS will be evaluated for the safety and security of attendees to comply with social distancing guidelines.

PARTNER HOTELS have announced new cleanliness and disinfection protocols.

Visit the ASM Conference site for additional information pertaining to specific hotel protocols.

UPCOMING ASM CONFERENCES

SMST 2021
MAY 17-21, 2021
SAN DIEGO, CA USA

AEROMAT 2021
MAY 24-26, 2021
QUEBEC CITY, CANADA

ITSC 2021
MAY 24-27, 2021
QUEBEC CITY, CANADA

WE BELIEVE WE CAN STILL SAFELY COME TOGETHER, WHILE MINIMIZING CONTACT.
